

ENDURA® PRO LINEAR LONG BED GANTRY MILLING MACHINE

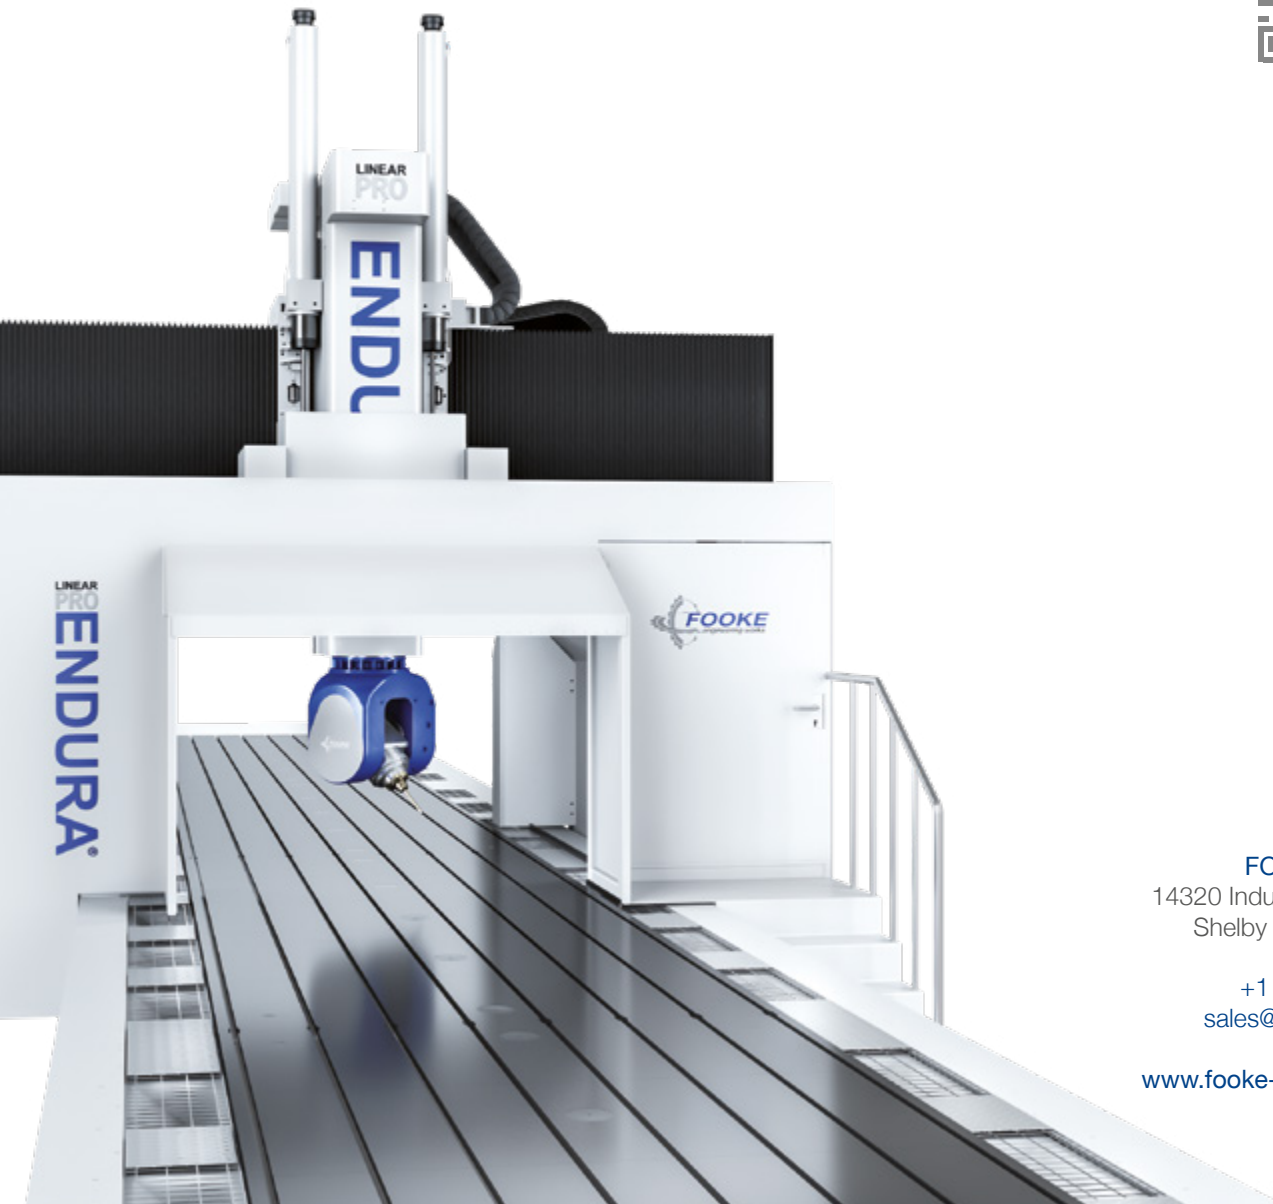

ADVANTAGES
AT A GLANCE

- Specialist for stringer and profil machining
- Flexible workpiece clamping systems
- Monobloc machine bed design, modularly expandable
- Highly dynamic 5-axis machining of long workpieces
- Ergonomic loading
- Encapsulated machining area by bullet-proof lamellas
- Material removal rates up to 11.0 l/min
- Two-station component machining for process-parallel loading
